

## New Mexico Domestic Violence Offender Treatment and Intervention (DVOTI) Programs (by County)

Approved Provider List as of 01/01/2025

The following programs are approved by the New Mexico Children, Youth and Families Department (CYFD) to provide Domestic Violence Offender Treatment and Intervention services (DVOTI) (otherwise known as Battering Intervention Programs or BIP) to New Mexico Courts for perpetrators of the Crimes Against Household Members Act (30-3-10) and Family Violence Protection Act (40-13-1). In addition to court referrals, DVOTI programs are available for referral from CYFD Protective Services or individuals who would like to seek help on their own. DVOTI programs are 52 weeks in length, as required by New Mexico Statute, and require the partnership of the Courts or its agents to effectively hold offenders accountable and change perpetrator behavior.

Please contact the programs directly for information, referral, or to schedule an intake. If you have questions, comments, or need further information about these programs, contact the Domestic Violence Unit at CYFD at (505) 500-9041.
